God kept his promises across the generations. God provided Abraham with a promised child, Isaac. God gave Isaac a wife and she bore twins, Jacob and Esau. 0.4 Open Bible Story: God Saves Joseph and His Family

08-01

Many years later, when Jacob was an old man, he sent his favorite son, Joseph, to check on his brothers who were taking care of the flocks.

08-02

Joseph's brothers hated him because their father loved him most, and because Joseph had dreamed that he would be their ruler. When Joseph came to his brothers, they took him captive and sold him to some slave traders.

08-03

Before Joseph's brothers returned home, they tore Joseph's robe and dipped it in goat's blood. Then they showed the robe to their father so he would think that a wild animal had killed Joseph. Jacob was very sad.

08-04

The slave traders took Joseph to Egypt. Egypt was a large, powerful country located along the Nile River. The slave traders sold Joseph as a slave to a wealthy government official. Joseph served his master well, and God blessed Joseph.

08-05

His master's wife tried to sleep with Joseph, but Joseph refused to sin against God in this way. She became angry and falsely accused Joseph so that he was arrested and sent to prison. Even in prison, Joseph remained faithful to God, and God blessed him.

08-06

After two years, Joseph was still in prison even though he was innocent. One night the Pharaoh, which is what the Egyptians called their kings, had two dreams that disturbed him greatly. None of his advisors could tell him the meaning of the dreams.

08-07

God had given Joseph the ability to interpret dreams, so Pharaoh had Joseph brought to him from the prison. Joseph interpreted the dreams for him and said, “God is going to send seven years of plentiful harvests followed by seven years of famine.”

08-08

Pharaoh was so impressed with Joseph that he appointed him to be the second most powerful man in all of Egypt!

08-09

Joseph told the people to store up large amounts of food during the seven years of good harvests. When the seven years of famine came, Joseph sold the food to the people so they would have enough to eat.

08-10

The famine was severe not only in Egypt, but also in Canaan where Jacob and his family lived.

08-11

So, Jacob sent his older sons to Egypt to buy food. The brothers did not recognize Joseph when they stood before him to buy food. But Joseph recognized them.

08-12

After testing his brothers to see if they had changed, Joseph said to them, “I am your brother, Joseph! Do not be afraid. You tried to do evil when you sold me as a slave, but God used the evil for good! Come and live in Egypt so I can provide for you and your families.”

08-13

When Joseph's brothers returned home and told their father, Jacob, that Joseph was still alive, he was very happy.

08-14

Even though Jacob was an old man, he moved to Egypt with all of his family, and they all lived there. Before Jacob died, he blessed each of his sons.

08-15

The covenant promises that God gave to Abraham were passed on to Isaac, then to Jacob, and then to Jacob's 12 sons and their families. The descendants of the 12 sons became the 12 tribes of Israel.

1.4 Read the Passage (5 minutes)

God tells us to love one another. Loving others is not an easy thing to do, but it is an important way to relate to each other. When Christians love each other, their work together and life together honors God. In order to understand God's design of Christian community, read the passage below.

But if I do not have love, I have become a noisy gong or a clanging cymbal. 2 Suppose that I have the gift of prophecy and understand all hidden truths and knowledge, and that I have all faith so as to remove mountains. But if I do not have love, I am nothing. 3 Suppose that I give all I own to feed the poor, and that I give my body to be burned. But if I do not have love, I gain nothing. 4 Love is patient and kind. Love does not envy or boast. It is not arrogant 5 or rude. It is not self-serving. It is not easily angered, nor does it keep a count of wrongs. 6 It does not rejoice in unrighteousness. Instead, it rejoices in the truth. 7 Love bears all things, believes all things, hopes all things, and endures all things. 8 Love never ends. 1 Corinthians 13:1-8

Prayerfully think about the following personal reflection questions. Write/Record your answers and/or discuss them as a group.

1. What kind of suffering have you experienced in life? How can you relate to Joseph's experiences?
2. How might you have responded if you were in Joseph's situation? How does his faithful example show areas of your life in which you need to grow?
3. What broken relationships are in your life? How can Joseph's story teach you how to reconcile (be at peace) with those who have wronged you?
4. How can you trust God more with your life?

4.2 Team Check

The following activity will help you check the clarity, accuracy, and naturalness of your draft. Read the passage aloud and discuss the checking questions with other members of your translation community. You might need to reread portions (or the whole) of the biblical passage multiple times as you answer each of these questions. Record answers to these questions below.

Team Checking Questions Use the following questions to check your translation draft for accuracy, clarity, and naturalness.

1. **Accurate:** Has anything been **added** to your translation of this passage that is not a part of the meaning of the source text? *If additions exist, are they only added to clarify meaning (such as implied information)?*
2. **Accurate:** Is anything **missing** from your translation of this passage that is a part of the meaning of the source text? *If some part of the meaning is missing from your translation, add it.*
3. **Accurate:** Does any meaning in your translation of this passage appear to be **different** than the meaning of the source text? *If the meaning is different, try changing your translation so that the meaning remains the same.*
4. **Natural:** Does anything sound **unnatural** to how you would say it in your language? *If portions of the passage sound unnatural in your language, try to make them sound the way you would say them in your language while staying true to the meaning of the source text.*
5. **Clear:** Is anything **unclear** or **confusing** in your translation that confuses the meaning of the source text? *If portions of the passage are unclear or confusing, revise them to clearly communicate the meaning of the source text.*
6. **Consistent:** How **consistent** is your translation within the passage and with other passages? *If portions of the passage need to be made consis-*

tent or if you need to revise translations of other passages, make these adjustments.

Record Feedback *After discussing the checking questions above as a translation community, record any feedback on your translation draft. Pay attention to parts of your translation that are translated well and parts of your translation that need correction.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions to your translation.*

Record Translation Decisions *As a community, discuss some of the most noteworthy translation decisions in your draft. Summarize each decision and explain the reasons your community decided on that translation. You should update these decisions each time you check your draft with various groups of people.*

You should **measure** the quality of your translation draft. You can **record translation decisions** to make it clear why you translated things a certain way. Translation decisions can help your translation team and the surrounding community be a part of the translation process.

How can you know the quality of your translation?

1. **Measure** the translation by marks/standards of quality (i.e., clear, accurate, natural, church-approved)
2. **Test** the translation with others and record feedback and conversations from in the field (i.e., church and community check)
3. **Compare** and **contrast** the translation with the source text (i.e., meaning of text and notes) and alternatives (i.e., other translation choices)
4. **Explain** the reasons why you translated a particular portion of the text.

Example Sentences That Help Explain Your Translation Decision Use the following example sentences to help explain your translation decisions:

1. The original text literally **says/means**, so we translated the term in this way...
2. We originally decided to translate **the biblical term** with **this term**, but we changed it because...
3. When our translation team discussed **the biblical term**, this is what we talked about...
4. **The term** is [clear, accurate, natural, consistent] because...
5. The community understands **this term** to mean...
6. We considered these other terms. We did not use **these terms** because...
7. When we checked this in the church, we learned...
8. When we checked this in the community, we learned...

Example of Translation Decision

In OBS 01-07 we decided to translate **blessed** like this: [actual translation]. We decided on this translation because of these reasons:

1. The word [actual translation] means to cause good things to happen to someone or something. This term is used when a person desires someone or something to prosper or flourish. This term does not refer to magic or witchcraft.
2. When we checked this word with other believers, they said it describes God showing his kindness and favor on someone or something. These are some of the terms that we did not decide to use...
3. Many of our people will understand this word. When we discussed this phrase with the surrounding community, we discovered it was a natural way to describe God causing good and beneficial things to happen.

5.2 Church Community Check

After teaching or ministering this story to the church, check the translation quality with the church community. Record any feedback from your checking experience.

Create Checking Questions You can use **Translation Questions** to check your draft. Each **Translation Question** explains the meaning of a specific part of the story and asks you to consider how you would translate that part of the story in your own language. Change each **Translation Question** into a **Checking Question** by asking the following questions. The first question asks you to identify how each specific phrase was translated into your language. The second question asks people in the church to determine if your translation of the phrase expresses the meaning clearly, accurately, and naturally. Look at the following examples to see how to change **Translation Questions** into **Checking Questions**:

Translation Question Example 1 **to proclaim the good news about Jesus** Paul and Silas traveled to Philippi for the purpose of preaching the gospel. The gospel is the good news that Jesus saves people from their sins if they will believe in Jesus. How would you express **to proclaim the good news about Jesus** to mean to tell other people the message about how Jesus can save people from their sins?

Translation Question Example 2 **a merchant** Paul and Silas met a woman named Lydia at the place by the river. She owned a business and sold items to make money. How would you express **a merchant** to mean a business owner who sells items for a profit?

Translation Question Example 3 **so Paul and Silas baptized them** The jailer and his whole family followed Paul's instructions. They believed in Jesus. The result of this was Paul and Silas baptized them. How would you express **so Paul and Silas baptized them** to mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

You can change these into **Checking Questions** like this:

Checking Question Example 1 **to proclaim the good news about Jesus** How did you translate **to proclaim the good news about Jesus**? Does it mean to tell other people the message about how Jesus can save people from their sins?

Checking Question Example 2 **a merchant** How did you translate **a merchant**? Does it mean a business owner who sells items for a profit?

Checking Question Example 3 **so Paul and Silas baptized them** How did you translate **so Paul and Silas baptized them**? Does it mean the result of the jailer and his family believing in Jesus that Paul and Silas baptized all of them?

Record Feedback *Discuss the **Checking Questions** with your church community, and record any feedback on your translation draft. Pay attention to parts of your translation that are translated well and parts of your translation that need correction.*

Discuss and Revise *After gathering feedback on your draft, discuss it together with your translation community and make appropriate revisions to your translation.*

Record Translation Decisions *Update your translation decisions and record any new and noteworthy observations on the quality of your draft.
